Can't wait for band camp? Well, the waiting ends this year!

Band camps provide outstanding musical instruction in a week of fun, friends and learning.

An incredible mix of private lessons, sectionals, master classes, ear and rhythm training, along with full band, and recreational activities. Fantastic instructors will be on hand to help students achieve their best performance.

SBA's Prairieland Jazz Camp is also returning this summer. **No prior jazz experience necessary.** Like all Band Camps, the Jazz Camp is open to any interested Band student with at least one year of Band experience. Jazz Camp participants play in small combos guided by local and special guest national Jazz clinicians.

Make new friends, improve on your instrument and perform in a live concert!

Band camp – a great antidote to the pandemic blues.
